

## Tumwater Town Center Farmers Market 2016 Community Booth Application

Thank you for your interest in the Tumwater Town Center Farmers Market. Our 2016 market will run every Wednesday May through September from 10am to 2pm. Community groups and/or organizations requesting a Community Booth reservation at the market must be a public agency or non-profit organization offering information regarding community related services.

We highly encourage participation of community groups or agencies related to agriculture, horticulture, nutrition, wellness, and buy local promotion; and encourage participants to present interactive programs.

### Community Booth Policies

1. Reservations are on a first-come-first-serve basis. The Market Manager will determine availability of applications for multiple week sign ups on a space available basis and to allow opportunity for other groups.
2. A 10x10 space, canopy, canopy weights, one table and two chairs are provided. Additional chairs and weather protection are the applicant's responsibility. Information may be handed out from the stall area only. No microphones/electronically-enhanced presentations or "barking" permitted. Groups may not sell items or food unless given permission in advance. No food sampling is allowed.
3. Community Booth groups are subject to the 2016 Vendor Rules unless otherwise specified. One exception: Certificate of Insurance is not necessary for community booths using Market canopy. Please visit our website at [www.tumwaterfarmersmarket.org](http://www.tumwaterfarmersmarket.org) to download a copy of the Rules.

To request a space, please complete this form and remit with a daily booth fee of \$15 to the address listed below at least one week prior to the date(s) requested. Your organization will receive a phone call from the Market Manager once the application is received. Confirmation of dates will be discussed at that time.
